INFORMATION & NEWS FROM ASHRAE

OTTAWA VALLEY CHAPTER

April, 1974

## APRIL MEETING

Place: Skyline Hotel  
Date: Wednesday, April 17 to Friday,  
April 19, inclusive.  
Topic: CHAPTER REGIONAL  
CONFERENCE

All details on the Conference were mailed with our last newsletter and members are encouraged to attend all sessions. The Thursday noon luncheon represents our April Chapter meeting.

## PRESIDENT'S MESSAGE

All systems are "Go" for the Chapter's Regional Conference (CRC) to be held at the Skyline Hotel 17 - 20 April, 1974. Al Oakes and his committees have done a great job with the planning and organization and our pre-registration indicates we can expect a good turn out for all events. Talk the conference up with everyone you meet between now and the 17 April. Perhaps your enthusiasm will encourage an undecided member to attend and the greater the participation the better the event. If you miss it you won't get another chance before 1987.

Our May 21 meeting, besides being the last for this year will be our election night. It is also going to be our Past

RECEIVED

APR 21 1974

OTTAWA

Presidents night. We are contacting all past presidents to attend and inviting them to give a short resumé or some highlight of their year in office. We have confirmation that Paul Fortier, Ian Paterson and George McRae are coming from out of town, and we expect all local past presidents to attend. This should be a great evening for both old and new members as we chronical the years 1952/53 to 1972/73. Come see and hear from the people who are mainly responsible for the strength of our chapter today.

## ASHRAE DIRECTORS AND COMMITTEES

As a part of C.R.C., our Chapter will nominate candidates for Society Committee work and Awards. It will be of interest to review the names of our Chapter members presently working for ASHRAE, outside the Ottawa Valley Chapter.
