- a) Are they cost effective?
- b) Sophistication requirements for analysis and can systems really be modelled?
- c) Should simulation be verified against annual metered energy use?
- d) How should an Energy Analysis be undertaken?

Come and present your views.

## PRESIDENT'S MESSAGE

**EVERYBODY COME TO WELCOME CLINT PHILLIPS AND ANDY BOGGS AT OUR 30th ANNIVERSARY MEETING  
FEBRUARY 15**

We are endeavouring to contact all Charter members, special guests who were at our Charter night, and past Presidents to attend this special event. However, we also want YOU to plan on attending to make it truly a memorable occasion.

We expect to hear some interesting stories from some of the special guests and, of course, our Society President, Clint Phillips, will be giving us the ASHRAE story.

**PLEASE PLAN NOW TO ATTEND  
MARK YOUR CALENDAR: ASHRAE - CATHAY -
