

OTTAWA VALLEY CHAPTER

RECEIVED
Capital Communiqué

AMERICAN SOCIETY OF HEATING, REFRIGERATING AND AIR CONDITIONING ENGINEERS

JOHNSON CONTROLS LTD.
STAMPA, ONTARIO

September, 1989

PROGRAM: SEPTEMBER 19, 1989

SUBJECT: "M & I COMPAC SPACE" FAN SYSTEMS:

Guest Speaker:

**Dipti Datta
President of M & I**

Mr. Datta's technical background has many facets, from life support systems in the ship building industry in both Germany and Quebec to various executive positions with the following companies: American Air Filter, Bohn Heat Transfer, Markhot Inc., and McQuai.

He then became President of a newly formed company called M & I Transfer, specializing in the design and manufacturing of custom made air moving equipment.

This program should be both interesting and beneficial to all. Don't miss it.

Social: 17:00 hrs.

Dinner - 18:30 - 20:00 hrs.

Program - 20:00 hrs.

Phileas Fogg Metropolitan House, 99 Bank Street, MacDonald Room

PRESIDENT'S COMMENTS

The purpose of ASHRAE is to provide a vehicle for the exchange of technical information. Through our 21 chapter committees - yes 21 - we organize formal programmes such as seminars, tours, guest speakers and technical sessions; but the most important exchanges often take place on a one to one basis between people attending chapter meetings. In the process most of us enjoy fellowship developing and we have fun. None of this happens without chapter members. This is why we will continue experimenting to make chapter membership attractive and interesting.

Expect to continue seeing chapter member discounts for all the events we organize.

Reduced parking rates are being negotiated for chapter members on meeting nights. Next month's Capital Communiqué will have details.

Table top displays will inform us of the latest developments from various sources.

This year we will experiment with sit down dinner service at several of our meetings. Come and try it at the September meeting. I guarantee your table won't be last in the buffet line up.

Bill McKinnon.

TABLE TOP DISPLAYS

Table top displays are now permitted at our Chapter Meetings as a result of recent rule changes, subject to restrictions outlined in the August issue of Capital Communiqué. Here is your opportunity to raise the profile of your company's products, services, equipment and systems to a broad audience of fellow Chapter members and guests. Don't miss your chance, September and November have already been booked! Further details may be obtained by contacting Byron Landry at 728-3571.

SEPTEMBER TABLE TOP DISPLAY IS SPONSORED BY PATRICK DURKIN & ASSOCIATES LTD.

They will feature the P.M. WRIGHT Duct Heater, Binary Control, Thermogain Heat Pipe, "Fan-X-Chanter" - Heat Recovery Ventilator and CIRCUL-AIRE Air Purification Unit.

Please feel free to view these products during the social period and after the guest speaker.

GOLF TOURNAMENT UPDATE

The golf event was a great success. We had the weather, location, and most of all the people all working in its favour.

Many thanks to George Carscallen for organizing the event.

Vic Gunhouse.

TOUR

The next tour is scheduled for November. If you have any suggestions for future tours, please contact Ken Ugu at 723-9585.

USED HANDBOOKS

These texts are always in demand by campus libraries, and by new members who have not yet had the opportunity to collect a complete set.

If you wish to donate excess or outdated ASHRAE HANDBOOKS (1980 or newer), please call Keith Murfin, 226-3300 to arrange for pick-up, or bring them to the next Chapter Meeting.

EDUCATION FOR THE WORKPLACE

The following courses offered by Queen's University, at their Occupational Health Centre, Kingston, Ont.

Oct. 24-26 3-day Industrial Audiometry and the HCP
(Hearing Conservation Program)

Oct. 26 1-day Audiometry Refresher
