PRESIDENT'S MESSAGE

Greetings and salutations to all from the President.

Welcome back! Thanks to everyone who's efforts made the September meeting such a wonderful evening. It was reassuring to get back to a routine which included a meal with our friends, associates and acquaintances from the HVAC and Refrigeration industry, although one chair was noticeably empty, the memory of the unforgettable Jacob Klassen was

honoured with a screening of the May 1998 video interview shot for our Chapter archives.

As honorary members of the membership promotion committee let's not forget to bring along a potential new member to our next meeting. We will be back at the Hellenic Banquet Facility in October.

See you there.

Dale Gaudet

ASHRAE - TABLE TOP DISPLAYS

I have been designated again this year to be in charge of booking table top displays at the monthly ASHRAE meetings here in Ottawa. As you are aware, a great number of the specifying engineers pass by this table in the course of a meeting. This not only generates free advertising for the products on the table, but also awareness amongst potential customers who may not be aware of the full potential of your business.

This month Total HVAC is pleased to have Canatal International at our meeting. Canatal builds precision air conditioning units in Canada and will have a unit on display.

Let me know early so I can book your table.

Thanks, Randy Cavill (225-9774)

WHAT YOU MISSED

The September kick-off meeting was held at the National Aviation Museum in Rockcliffe. The evening began with guided tours of the collection while a lucky few had an up-close look at the latest museum acquisition, a Northrop F5 painted in Soviet markings used in training NATO fighter pilots during the cold war. The supper took place in the center of the museum collection and the evening ended with a review of current world economic markets and appropriate investment strategies by Frank Cessnic associate-director of Scotia MacLeod. Thanks to all who participated and helped make the evening a pleasant success.

ADDRESS CHANGES

If you have any address changes, please notify Atlanta as soon as possible. The new toll-free number for ASHRAE Society is 1-800-5-ASHRAE (1-800-527-4723). You can use it for a variety of services including general information, same-day address changes and credit card payment of membership dues, meeting registration or bookstore purchases.

RESEARCH CAMPAIGN

Just a little reminder that research donations can be made in the memory of an individual. Please keep this in mind when you consider making your research contribution this year.

CRC UPDATE

The Region II Chapters Regional Conference (CRC) was held in Moncton September 10-12. The Ottawa Valley Chapter was very well represented by nine members. Dale Gaudet (Delegate), Joel Primeau (Alternate), Karen Peck (Research Promotion), Frank Bann (History), Jason MacMurdo (Refrigeration), Brenda Cumby (Student Activities), Adam Beales (Membership Promotion), Frank Vaculik (TEGA), and Jean-Pierre Tardif (Kingston Section).

All three motions put forward by our chapter were passed and will be reviewed at the next Regions Council. The CRC was a stimulating mix of Society business and socializing with fellow regional members. Plan now to participate next summer in CRC '99 to be hosted by the Montreal chapter.

AL OAKES

Al Oakes was committed and dedicated to his responsibilities within ASHRAE at both society and Chapter level. Al always had a sense of humour and felt that all work had to include some play. Have fun while you work. His enthusiasm, leadership qualities and ability to motivate others are the characteristics that best describe the profile of the award recipient.

This award is only presented when a candidate clearly merits the honour and the award is to be given as recognition and encouragement to continue, not as thank you for past effort to older members.

Does the above describe someone that you know? Please forward the named of individuals that you feel deserve this award to Karen Peck at 733-9781. Our awards committee will be reviewing all candidates this upcoming month. I hope to hear from you.
