PRESIDENT'S MESSAGE

I believe my first words as President should be to praise Dale Gaudet as the outgoing President of the Ottawa Valley Chapter. I am taking over a very healthy organization; our finances look good and our volunteers are full of vinegar. Dale has been both inspiring and perspiring this year; he's worked very hard at making ASHRAE fun and educational. On your behalf, I thank him for all his efforts.

As you fill out your membership renewal form (which I urge you to do as soon as possible), you better prepare yourself for a few changes in the way ASHRAE Ottawa will behave. Your new Board of Governors has big plans for the future.

The first big change is that we will no longer snail-mail our newsletter to every member. You told us last year in an informal survey that most of you would prefer an e-mail version of the Capital Communique. You also indicated that you would rather be faxed your Communique than having it mailed. And we also heard from a number of you that you have it snail-mailed because you don't have access to either the internet or a fax machine. We heard all of you and we will meet all of your needs.

On this year's membership renewal form, we are asking you to choose in which communication medium you wish to receive your Communique. The e-mail version will be exciting and in colour. The fax and the snail-mail version will be a printed copy of the e-mail Communique. Please note that we will be mailing the regular version of the Capital Communique for its first three issues until our electronic system is in place.

Our goal with this initiative is two-fold: 1. Get the information to our membership in the quickest way possible (We heard of too many of you receiving the Communique a day before or worse a day after the meeting) 2. Save the chapter money (You can see in the financial report how much the mailing and the printing of the communique cost our membership every year, it would be irresponsible of us not to take advantage of the internet and fax machines). Many chapters in our region have already done it successfully and the savings are impressive. We intend to redirect this money to more beneficial programs.

There will be other changes along the way . . . but I've already broken the longest President's Message record by some 68 words!

I am looking forward to a great year and I hope to see many of you at the golf tournament.

Joel Primeau, P.Eng.

1999 ASHRAE GOLF TOURNAMENT

The 1999 ASHRAE Golf Tournament will be held this year at the Loch March Golf & Country Club (1755 Old Carp Rd., Kanata) on Thursday, September 2, 1999. It will be a 1:00 p.m. shotgun start and we will be playing a four (4) person scramble format. The cost is unchanged from last year at \$360.00 per foursome and includes green fees, roast hip of beef dinner, motorized golf carts, prizes and a complimentary ASHRAE gift. To book or confirm your entry please contact Chris Healey @ Walmar Ventilation (ph. 225-9774, fax 225-2972). Please make cheques payable to "ASHRAE - Ottawa Valley Chapter". For more information or to enquire about advertising space at the tournament please contact Peter Nabi @ R.J. McKee Engineering Ltd. (ph. 723-9585, fax 723-9584). See you there!!

CRC 1999

The 1999 Chapter Regional Conference (CRC) will be in the city that gave us Maurice Richard, Leonard Cohen, Modercai Richler, Oscar Peterson, Men without Hats and Gary Hartmann; Montreal, Quebec. This year's CRC will be held at the Radisson Hotel in downtown Montreal, from August 26th to the 28th.

The format of the CRC will be the same as in previous years. Each committee will send a representative, usually the chair, for the Saturday morning workshops. Many of the chapter officers will also attend. The purpose of the CRC is to supply ASHRAE chapter organizers with the proper information and sources of information to make all chapter activities a success.

Don't forget to include your spouse/partner in the CRC; spousal tours will include a 3-hour guided bus ride around the city and a morning expedition to Les Promenades de La Cathedrale (can you say shop 'til you drop?)

All members can participate; the President's banquet, the workshops or any of the spousal tours are always great activities for any ASHRAE member to attend. Please contact Joel Primeau at 820-8111 if you are interested in taking part in any of the activities.
