PRESIDENT'S MESSAGE

The theme for this month's meeting is Student Activities. Having been a chair of this committee in the past, I hold its activities near and dear to my heart. Brenda Cumby and her team are doing a fabulous job. The student branches at Ottawa University and Queens' University are doing great and I know that the branch at Algonquin College will be back to its usual level of activity this year.

In a nutshell, here are the challenges of the student activities committee: 1. Keep the branches active by providing them support in the form of technical presentations and tours. 2. Promote ASHRAE to student members and encourage them to become regular chapter members. We have typically done a great job at supporting our branches' activities, we don't usually get too many of our student members to

join our chapter after they graduate. Our focus this year will be to sell ASHRAE and the HVAC industry better to students. Unfortunately, our industry is not perceived as being as sexy as the hi-tech world by engineering students, which is probably why so few of them are beating on our doors looking for work. So to market our industry, we will host (meaning: pay for) two students from each of our branches at each of our chapter meetings. I ask you to make them feel welcome; talk to them about your work and sell them our industry.

As George Benson (in the 70's) and Whitney Houston (in the 80's) crooned: "I believe the children is our future, treat them well and let them lead the way."

I look forward to seeing you at our October meeting. Please bring a friend.

Joel Primeau

ASHRAE - TABLE TOP DISPLAYS

Contact Randy Cavill (225-9774) if you are interested in presenting a table top display at future meetings.

ADDRESS CHANGES

If you have any address changes, please notify Atlanta as soon as possible. The new toll-free number for ASHRAE Society is 1-800-5-ASHRAE (1-800-527-4723). You can use it for a variety of services including general information, same-day address changes and credit card payment of membership dues, meeting registration or bookstore purchases.

WHAT YOU MISSED

Our September meeting, the first of the ASHRAE season, was held at the Nortec Plant, a local manufacturer of humidifier technologies. The technical session featured a tour of Nortec's facilities followed by the evening's main program, an interesting historical account of humidification. Our speaker for the evening was Mr. Charles Micharud, Regional Sales Manager for Nortec.

BUILD EXPO 99

Included in this newsletter mailing is a promo for Build Expo 99. ASHRAE Ottawa Valley will be there. Gabriel Laszlo secured a booth (free of charge) for us to promote ASHRAE. We now need volunteers to be at the booth. The only qualifications required is that you be a member of the chapter and that you can spare a couple of hours on November 17th or 18th. Please contact Joel Primeau or Gabriel Laszlo if you are interested in participating. We'll have a sign-up sheet at our October and November meetings. Thanks in advance for your support.

WELCOME TO NEW MEMBERS

On behalf of the Ottawa Valley Chapter of ASHRAE's Board and Members, we wish to welcome the following new Society Members: Ms. Sylvie Rossignol, Cite 2001 Conseil Nat'l de Recherches, Tel (819) 595-0338, Fax (819) 595-3784.
