Evening Program (20:00 – 21:15)

- Speaker Bill McCartney presented on “LEED is Not Commissioning”, starting with a discussion on how commissioning evolved in the early 1980’s and the publication of ASHRAE Guidelines:
ASHRAE Guideline 1989 – “Commissioning of HVAC Systems”
ASHRAE Guideline 1-1996 “HVAC Commissioning Process”
ASHRAE Guideline 0-2005 “Commissioning Process”
- He followed with discussion of the importance of Training of O&M Personnel.
- The topic moved on to LEED and how this stands separate from actual commissioning and he spoke about the following documents:
LEED Canada NC 1.0 Dec. 2004
EA-CR3 “Best Practice in Commissioning“
- President Christine Kemp thanked Bill for all of his hard work and gave him a small gift.
- Meeting adjourned 21:20
