

## President's Message

**President**  
**Abbey Saunders**  
2016-2017  
OVC President  
**National Research**  
**Council Canada**

Welcome to the **2016–2017 Ottawa Valley Chapter ASHRAE season**. I'd like to start by extending my sincere thanks to all members of the Board of Governors (BOG), Executive and the various committees for their cooperation and tremendous contribution over the 2015–2016 ASHRAE year. A special thanks to **Georges Maamari** for his hard work and dedication as President. **E-mail: [abbey.saunders@nrc-cnrc.gc.ca](mailto:abbey.saunders@nrc-cnrc.gc.ca)** Not only did Georges keep our chapter operating smoothly over the past year, he also transitioned into his role as Past President all while leaving everything in a great state for me to easily pick up where he left off. Thanks Georges!

As usual, the 2016–2017 edition of the **Ottawa Valley Chapter ASHRAE** season is going to be exciting and busy. We will continue our regular activities such as monthly program meetings, YEA events, seminars, student activities, social events, and hopefully a tour and tech session or two. As Georges so eloquently stated last year, "No President can do this alone, it takes a great group of volunteers to make it happen". We are always looking for individuals willing to dedicate their time to ASHRAE, and volunteering for ASHRAE is very rewarding. Please consider volunteering for one of our committees and do not hesitate to contact myself or any other BOG member for more details.

The wheels are in motion for assembling a great program for the upcoming year, which will more than likely begin with our first meeting being held off-site, and more of a social outing in concept. Be on the lookout for the September meeting location and details later this summer. We are working on securing **Restaurant International** at **Algonquin College** for the remainder of the meetings again this year.

I am honoured to be serving you for this upcoming ASHRAE season and we have a tremendous group of volunteers assembled for next year's committee chairs, BOG and Executive. Much like yourselves, I'm looking forward to another successful ASHRAE season. We have several returning committee chairs and members, and of special note this year we have Chris Fudge joining the Executive as Secretary and Adrienne Mitani moving onto the BOG. We also have a handful of new committee chairs in Jeremy Strong, Peter Shaw-Wood and Jeff Watson. Congratulations on your new roles!

The annual **Chapter Regional Conference (CRC)** is being hosted by the **NB/PEI** chapter this year in **Moncton** on **August 26 - 28**. We will be sending several members to the event, which will no doubt be rewarding and fun for all those who attend.

The Board, Executive and various committee chairs and members will be working hard behind the scenes this summer to ensure a quality upcoming ASHRAE season. Enjoy the rest of our summer, and I look forward to seeing you at our next chapter event!

**Abbey Saunders**  
**2016-2017 OVC President**

# Canadiana Quiz 2016

ASHRAE Ottawa Valley Chapter  
September 2016

## September 2016 Trivia!

Some of you may remember attending our last trivia quiz - it took place in the basement of **The Prescott Hotel**, and the subject was the **70's**. This happened in **September 2010**, and it was a good time all round - with great food to boot! This September, we return to the same venue, for another quiz - three years in the making - and the

subject will be "**All-Canadian**". Music, News, and Film. Oh, and it might be loud. So be sure to watch for the **September newsletter** - and register for what promises to be a ripping start to the new **ASHRAE OVC** year!

# What You Missed

The seventh meeting of the program year took place at **Restaurant International** at **Algonquin College**. The meeting was called to order by **President Georges Maamari** shortly before 6:30 PM and attendees were seated.

The business session commenced with **President Georges Maamari** introducing the Board of Governors and Executive, followed by **Daniel Redmond** introducing the guests for the evening. **Celine Baribeau** then introduced the new members to the chapter.

President Georges Maamari discussed the technical tour that was held at the **Shaw Centre** and welcomed **Ross McIntyre** to discuss the event.

President Georges Maamari asked **Steve Moons** to speak about the upcoming golf tournament to be held on **Tuesday June 21st**.

President Georges Maamari asked **Abbey Saunders** to discuss the current years Research Promotion campaign. The campaign was at approximately 75% of the campaign target. Tickets donated by **Airtron** were raffled at the meeting.

As the theme was History and Past Presidents, President Georges Maamari asked **Aaron Dobson** to discuss. Aaron spoke about much of the historical information that is present in our chapter and introduced the fourteen Past Presidents in attendance at the meeting:

- 1974-1975 – Rudy Jetzelsperger
- 1982-1983 – Dalton McIntyre
- 1985-1986 – Gabriel Laszlo
- 1986-1987 – John Dugan
- 1987-1988 – Simon Jol
- 1991-1992 – Chris Frauley
- 1993-1994 – Ross McIntyre
- 2001-2002 – Frank Bann
- 2002-2003 – LanChiNguyenWeekes
- 2004-2005 – Cathy Godin
- 2010-2011 – Christine Kemp
- 2012-2013 – Donald Weekes
- 2013-2014 – Roderic Potter
- 2014-2015 – Steve Moons

An Irish inspired Champagne toast was had, toasted by **Cathy Godin**.

President Georges Maamari asked

**Andrew Klassen** to the podium to discuss the **ASHRAE technology awards**. This year there were six winners in the **Ottawa Valley Chapter** and awards were presented by Andrew Klassen and **Chris Fudge** to the following people:

- **Olson Quintero, MMM**
- **Martin Ma, Jp2G**
- **Frank Bann, Goodkey Weedmark (two awards)**
- **Robert Lefebvre**

President Georges Maamari asked **Bob Kilpatrick** to discuss awards. Bob recognized firms that support their employees in their contribution to the Ottawa Valley Chapter. Bob then presented the annual **Student Award** to **Calan Kewes**. The next award presented by Bob was the **Baker Oakes Award** which was presented to **Past President Roderic Potter**.

Following the business session, attendees enjoyed a seated dinner. After dinner, the evening program began with President Georges Maamari introducing the table top displays (**Longhill Energy** and the **Master Group**).

President Georges Maamari announced the upcoming **YEA** event to be held at **Jack Astors** and then thanked everyone for a great year and thanked all of the volunteers, BOG and executive that worked hard to put together a fantastic year for the OVC. Georges wished Abbey good luck for the upcoming year and announced that she has always excelled at everything she has ever done for **ASHRAE**.

President Georges Maamari then called upon Bob Kilpatrick to swear in the new board and executive:

- **President – Abbey Saunders**
- **President-Elect – Adam Graham**
- **Treasurer – Daniel Redmond**
- **Secretary – Chris Fudge**
- **Governor – Chris Frauley**
- **Governor – Aaron Dobson**
- **Governor – Adam Moons**
- **Governor – Richard Cameron**
- **Governor – Adriane Mitani**

**President Abbey Saunders** thanked everyone for their attendance tonight. President Abbey Saunders thanked Georges for his

hard work and presented Past President Georges Maamari with his **ASHRAE** pin in recognition of his hard work.

President Abbey Saunders shared her ASHRAE story and then thanked the board, exec and the volunteers for their support over the past year. President Abbey Saunders also thanked all past presidents, officers and board members for their help over the years.

President Abbey Saunders then raffled the tickets for the Research Promotion draw and the lucky winner was...President Abbey Saunders!

President Abbey Saunders then introduced **Krista Durie** and **Jean Lachance** from **Canada Lands Company (CLC)** to present the evening program about the redevelopment of the former **Rockliffe Air Base** into the new **Wateridge Village** at **Rockliffe**.

The speakers from CLC provided an overview of the Canada Lands Corporation, its people, its projects, what it does and how it does it. The speakers then presented the plan for what the future holds for the former air base in Rockliffe. The presentation included an overview of some of the challenges faced by the development of the approved **Community Design Plan** and the phasing that will see the implementation of that design plan. Attendees were granted a fascinating look at what is to come of this valuable and historical land in Ottawa.

Following the presentation, the floor was opened up to questions. **President Abbey Saunders** then thanked the presenters and presented them each with a gift. The meeting was adjourned at **9:33 PM**.

# Stroke Play Tournament

Ladies and Gentlemen,

We are proud to continue the **ASHRAE Stroke Play Golf Championship** again this year.

The intent of this golf tournament is to encourage the fellowship and camaraderie that **ASHRAE** is known for. To that end, golfers of all abilities are welcome to participate. That said, we will play the game as per RCGA rules in a stroke play format. There will be no flights or handicaps applied, and the lowest score on the day will win. There will be no Mulligans, do-overs, foot-wedges or gimmies, and a handout outlining some of the rules to remember will be provided. As this is a purely social event, there will be no auctions, prizes or sponsorship, just an

enjoyable, competitive round of golf.

The tournament will be held on **Friday, Sept. 16th, 2016** at **Eagle Creek Golf Club**. The registration will be done on-line, via the link below. Registration will start at 9:30am; first tee time will be at 11:00am. We will assign the participants into foursomes, teeing off in succession. Registrant's final tee times will be dependant on the total number of entrants. We were able to secure a preferred rate at this course, so your registration fee of **\$85** includes green fees and cart. Space is limited to **28** golfers, first come, first served. There is no formal meal afterwards, but typically the scores are added and trophy awarded in the club house after the round.

# YEA

Hi YEA Ottawa!

I hope everyone is having a great summer so far.

In **August**, I will be attending the CRC to meet with Region 2, YEA chapter chairs. We will be discussing the past year and how to improve

events for next year.

I plan to have our first YEA event during **September**, I will send out an email when details are confirmed.

Thank you for your support.

# 2015-2016 Research Promotion Campaign

The results have been tabulated, and the 2015-2016 Research Promotion Campaign ended with a bang! For the second year in a row the **Ottawa Valley Chapter** was able to surpass our **\$27,000 RP objective** handed down by Society. In total, together we raised **\$33,879** towards research. As Georges said last year, I cannot say enough about how impressed I am with our chapter's generosity. It goes to show how dedicated our members and local industry are towards supporting and advancing **ASHRAE**, with the added bonus of all the research money raised in Canada being reinvested in Canada.

I'd like to thank everyone for their

contributions to our **ASHRAE Research Campaign**. In addition, I'd like to give a special shout out to this year's RP committee of **Georges Maamari, Mike Swayne, Steve Moons** and **Bob Kilpatrick**. Thank you gentlemen for your help!

At the Summer Program meeting, we raffled off RedBlacks home opener tickets, generously donated by Airtron. The raffle raised **\$610** towards our ASHRAE Research Campaign, and I (**Abbey Saunders**) was winner of the tickets. I know what you are thinking, it wasn't fixed, check the video and see for yourself that I did not draw my own ticket.

Again, thank you for all your contributions to support ASHRAE Research this year. **Adam Graham** will be taking over as RP Chair for the **2016-2017 ASHRAE** year, and I ask you to please extend your generosity next year and help Adam meet the chapter's next challenge.

Thanks for your continued support of **ASHRAE Research Canada!**

# ASHRAE Golf Tournament

A big **Thank You** goes out to all those who participated and volunteered in the **2016 ASHRAE Golf Tournament**. The staff at **The Marshes** helped put on a great event while we enjoyed fantastic weather and a wonderful day of golf.

Congratulations to this year's event winner **Team Mastron, Stan Millross, Peter Baird, Jim Siciliano** and **Graham Bold** took home the hardware yet again. Well done Gentlemen.

I would especially like to thank the many volunteers who generously gave their time to this event. **Stan Millross, Cathy Godin, Abbey Saunders, Georges Maamari** and **Aaron Dobson** among others all

offered great support.

I would also like to thank all the companies that participated in this year's event and the many companies that sponsored the tournament. This year's edition of the tournament was a sell out and the level of sponsorship was great.

Thanks to the efforts and support of everybody this year's golf tournament was able to raise almost \$ 8,400 for **ASHRAE Research** and for the **Ottawa Valley Chapter**. These monies will be staying in Canada and will be going towards further research and development of standards and guide lines that will benefit our industry.

The **2016 Region II Chapter Regional Conference (CRC)** will be hosted by the **ASHRAE NB/PEI Chapter** and will take place in **Moncton, New Brunswick** between **August 26th and 28th**. The CRC is a meeting of the chapters within the region to discuss regional business as well as to meet and collaborate on **ASHRAE** matters. **Region II** includes all Canadian ASHRAE chapters East of Manitoba and each chapter will send representatives to ensure a productive conference. This year, the following people will be attending from the **Ottawa Valley Chapter**:

- **President Abbey Saunders** (CRC Delegate)
- **Daniel Redmond** (CRC Alternate and Research

- Promotion Co-Chair)
  - **Jacob Hough** (Program Chair and Grassroots Government Affairs Chair)
  - **Peter Shaw-Wood** (Student Activities Co-Chair)
  - **Celine Baribeau** (Membership Promotion Chair)
  - **Joe Della Valle** (Young Engineers in ASHRAE Chair)
  - **Jeremy Strong** (History Chair)
  - **Jeff Watson** (Chapter Technology Transfer Chair)
  - **Darryl Boyce** (President of ASHRAE Research Canada)
  - **Glen Greer** (CRC Platinum Sponsor)

While the primary focus of the **CRC** is for attendees to participate in meetings and workshops to facilitate

improved chapter and regional operations, it is also a great opportunity for attendees to meet and get to know colleagues from other chapters that are also focused on the betterment of **ASHRAE** as a whole. The event will also include presentation of awards to the chapters and a social dinner out on a lobster boat!

We are very much looking forward to a fun, informative and enjoyable **Chapter Regional Conference**.

# Advertising

Advertising career opportunities on the **ASHRAE Ottawa Valley** website makes good business sense. We offer a unique way to reach technical professionals and make your ad dollars work hard for you.

To discuss your needs, contact one of our chapter officers, via our "This Year" page. Increase the impact of your advertising through the **ASHRAE** Ottawa Valley website today.

Rates for career opportunities ads are as follows:  
Chapter Member: \$50/month, \$80/2 months, \$100/3 months  
Non-member: \$250/month

*Note: Purchase of additional months will only have a discounted rate if purchased up front. Otherwise the standard rate will apply for additional months.*

## Placement of an Ad

We suggest that you complete and submit our advertisement form to speed up the processing of your request. If you have provided your e-mail address, a confirmation receipt e-mail will be sent to you for reference.

Please note that ads require prepayment made to the treasurer. Please register and pay through the online system and contact **Daniel Redmond** ([danielredmond@cunet.carleton.ca](mailto:danielredmond@cunet.carleton.ca)) with any questions. Follow the link below for payment.

The ads will appear on the website until the end date for publication provided in the submitted form. To extend the ad, please resubmit the form with the new publication dates and the required prepayment amounts.

# Business Card Ads

You can support your chapter and promote your business by placing your business card in the Capital Communiqué. It will also appear on the chapter website.

The cost is \$250.00 for the year. Please contact **Rod Lancefield** at [rodl@htseng.com](mailto:rodl@htseng.com) for more details.

Payment will be made through the online system. Follow the link below for payment.
